

INDUSTRIAL SECURITY SYMPOSIUM

0950-1030, 3 May 1978

Grateful

Why? US needs intell. more; can not afford to lose thru carelessness/
espionage

Military

Economic

Political

2 Kinds --

How collect - technical systems

Product

Your concern - technical

Started Dec '76

Partial compromise system - \$B

Loss opportunity

Investigated why - there and ~~another contractor~~

Neglect - inattention

Room full safes

Asked you --

Want involve top management

Danger greater today

Detente

Sovs in U.S.

Effort prodigious

Industrial know how top priority

You're only ones can ensure we're not taken in

You're there

Day-to-day

Sense

Instill alertness

Our program to help you

1. Increased security staff

Permanent

Objective -- 40 security audits/yr.

20 completed

Help to you

1. Motivate your people

2. Outside look --

2. Selective polygraph

More sensitive

3. Reduce # clearances

Just starting

Help you

4. Periodic conferences -- newsletter --

for exchanging ideas, data

Hear your complaints -- problems

Regulations ambiguous
